

**REMARKS**

Claims 1-13 have been canceled without prejudice or disclaimer for they have been allowed in the parent application. Independent claims 14 and 25-27 have been canceled and the limitations common to each of these claims have been incorporated in new independent claim 47. New dependent claim 48 contains those limitations of now canceled claim 14 that were not common with limitations of now canceled claims 25-27. New dependent claim 49 contains those limitations of now canceled claim 25 that were not common with limitations of now canceled claims 14, 26, and 27. New dependent claim 50 contains those limitations of now canceled claim 27 that were not common with limitations of now canceled claims 14, 25, and 26. New dependent claim 51 contains those limitations of now canceled claim 26 that were not common with limitations of now canceled claims 14, 25, and 27. Accordingly, (i) dependent claims 15, 17, and 19-24, which were originally dependent from now canceled claim 14, have been amended to depend from new claim 48 and (ii) dependent claims 28, 30, and 32-37, which were originally dependent on now canceled claim 27, have been amended to depend from new claim 50.

Because claim 1 of the parent application was held to be allowable, it is believed that these claims are also allowable. Accordingly, entry of the instant Preliminary Amendment and favorable treatment of the present application is respectfully requested.
